that you saw their advert in the Dry  
Drayton Newsletter when you first  
contact them.**

### Mowing

Mow regularly at the summer height this month. To remove stems that develop this time of year, rake lawn prior to mowing to present them for cutting, otherwise they can remain prostrate in the lawn. If you're going away try and arrange for lawn to be mowed...one less task to do when you get home!

Patio/Driveway Weed Control Weeds can look unsightly at this time of year in patios and driveways. We can spray a total weed killer to kill them and keep weed free for up to 6 months.

Weed Control Weeds such as dandelions and clover seem to thrive in our summer conditions. We can apply a selective herbicide to kill broad leaved weeds leaving your grass unaffected.

Liquid Feed In dry weather we apply a feed to lawns in liquid form to improve the colour and vigour of your lawn. This way all the nutrients go in through the leaf giving it a well earned liquid tonic.

# Our customers say that it's a brilliant concept

Capability Barns at Fen Drayton houses a brilliant venue where gardeners and garden designers can see and experience our unique **display gardens**. See the immense range of natural hard landscaping products and you will understand why Bannold have gained such a matchless reputation. *Come and see for yourself.*

Opening times Mon to Fri 7.30am to 5pm. Sat 9am to 1pm
